

Parler Quick Guide

What is a Parley?

A parley is a Facebook post or like a tweet.

This is when you say something *or* share something on the Parler feed.

What is an Echo?

An echo is like a re-tweet or a share on Facebook.

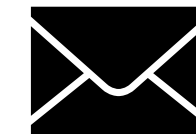

It is when you share a parley on Parler. Hit Echo and then share!

What is an Upvote?

This is when you hit the upvote button like the like button on FB and Twitter.

What Are Direct Messages?

You can message other users as you do on Twitter and Fb.

How to Search on Parler:

You can search users and you can also search affiliates/parleys in the search bar.

How to View The Parler Feed:
